

WHO WE ARE

As a 501(c)3 non-profit educational foundation, we help execute the Camp Hill School District's commitment to providing a high quality public education for all students.

Thanks to donors like you, we fund academic, athletic, and cultural programs that are beyond the reach of the regular school district budget.

WHAT WE DO

Each school year, we invest **more than \$100K** into the GREAT IDEAS of our teachers, coaches, and program leaders.

Our grants **reach every grade level** and provide classroom resources, field trips, hands-on tools, and activities in athletics and the arts.
