WHO WE ARE

All of us – students, teachers, parents, business partners, and community members who work tirelessly and give generously to nurture student success now and beyond. The work of The Lion Foundation provides needed financial support and flexibility to Camp Hill schools to ensure our children continue to thrive and can compete in a global economy.

WHAT WE DO

For 15 years, The Lion Foundation has awarded more than \$1.4 million in grants to benefit Camp Hill teachers, classrooms, and, most importantly, our students. The projects we fund are strategically focused to align with the school district's priorities and goals and reinforce our commitment to Camp Hill's small community schools.

WHY WE ARE

Because we know that every program we sponsor today and every dollar of support we raise is an investment in our children's future. As resources are stretched far and wide by our teachers and administrators – The Lion Foundation provides a way for all of us to support important programming for our kids that taxpayer dollars do not cover.
