## News to Roar About!

Camp Hill is such a special place. And I am lucky because I have the honor and pleasure of witnessing all of the donations that come in from this wonderful community—in support of our students and schools—throughout the year.

I am known to say that every donation matters, no matter the amount. And, believe me, our students are very appreciative and thankful for your generosity. I see this every time I go in the classrooms, on the playing fields, in the band room or in many of the places where students of every age are engaging in the arts. This gratitude was recently on display through the #ThanksLionFoundation donor appreciation campaign which gave students and teachers a way express gratitude for your donations.

In short, your support has an impact! I can't wait to see what we can do together in 2018.

## 8TH ANNUAL GOLF OUTING

The weather did not support The Lion Foundation's annual golf outing last October. But our donors did! While we had to cancel the 2017 golf outing due to a tropical storm, the following players and sponsors made it possible to still raise money for The Lion Foundation's programs. Thank you!

Already well established in the western part of the state, NexTier Bank will open its first branch in Central Pennsylvania, on the Carlisle Pike, in the near future.
